

ANTI BULLYING POLICY

1.0 INTRODUCTION

The Apex Anti-Bullying Policy has been created in line with the DFES guidance on 'Bullying; don't suffer in silence' and 'Safe to Learn': Embedding Anti-Bullying work in schools.

Our policy against bullying is also in line with the school's ethos on building the Islamic personality - respecting each other's differences and encouraging a positive learning environment.

Allah (SWT) says in the noble Qur'an (interpretations of the meanings):

{Believers, no group of you should mock (laugh at or hurt in any way) another one - perhaps they are better than you. Nor should women mock each other; perhaps one is better than the other. (And) do not defame one another nor call anyone with evil nicknames. How terrible is it to insult (your Muslim brother or sister) after having gained true faith. Those who do not repent are certainly unjust.}

[Surah (49) Al-Hujuraat, Ayah 11]

It was reported from Abu Hurairah y that the Messenger of Allah (SAW) said:

« ... [Oh Muslims] be Slaves of Allah and Brothers [amongst yourselves]. A Muslim is the brother of a Muslim; he neither oppresses him, nor humiliates him, nor looks down upon him. Taqwaa (Piety) is right here [and he pointed to his chest three times] ... »

[Reported in Sahih Muslim in "The Book of Virtue, Good Manners and Joining of the Ties of Relationship"]

The Prophet (SAW) said: "Whoever among you sees an evil action, let him change it with his hand (by taking action); if he cannot, then with his tongue (by speaking out); if he cannot, then with his heart (by hating it and feeling that it is wrong), and that is the weakest of faith."

[Reported in Sahih Muslim, Kitaab Al-Imaan]

At Apex we have a no tolerance approach on any form of bullying and we take great care to investigate all reports of bullying and work closely with parents and guardians to address any bullying in our school.

Apex will meet the legal requirement for all schools, that of having an anti-bullying policy in place. Apex will work closely with other professional agencies to ensure that children stay safe as stated in The Children Act 1989, the SEN and Disability Act 2001, the Government Green Paper 'Every Child Matters' 2003, and the Children Act 2004.

2.0 AIMS OF THE POLICY

- To create a school ethos that has a no-tolerance policy on bullying so that a safe and secure environment is created for everyone to learn, express themselves and work in
- To create an environment where children feel confident to disclose and discuss incidences of bullying behaviour
- To create awareness of what bullying is amongst all governors, teaching and non-teaching staff, pupils and parents/guardians
- To create awareness amongst all governors, teaching and non-teaching staff of the different forms of bullying, methods of detection and the effect it has on pupils (Refer to the Child Protection Policy)
- To develop effective procedures for recording and reporting incidents of bullying behaviour
- To develop effective and fair procedures for investigating any incidents of bullying
- To make all pupils and parents/guardians aware of what the school policy is on bullying and what they can do if it occurs.

3.0 WHAT IS BULLYING?

Bullying is any act of aggression be they verbal, physical, psychological or deliberate exclusion of a student from other students or groups of students. We believe that a pupil is bullied if they suffer from:

Emotional	Being unfriendly, excluding, tormenting (e.g. hiding books, gestures), ridiculing, humiliation
Verbal	Name-calling, sarcasm, spreading rumours, threats, teasing, making rude remarks, making fun of someone
Physical	Pushing, kicking, hitting, pinching, throwing stones, biting, , punching or any other forms of violence, taking or hiding someone's things
Racist	Racial taunts, graffiti, gestures, making fun of culture and religion
Sexual	Unwanted physical contact or sexually abusive or sexist comments
Online/cyber	Setting up 'hate websites', sending offensive text messages, emails and abusing the victims via their mobile phones
Disability/SEN	Any unfavourable or negative comments, gestures or actions made to someone relating to their disability or special educational needs

Bullying is not:

It is important to understand that bullying is not the *odd occasion* of falling out with friends, name calling, arguments or when the occasional trick or joke is played on someone. It is bullying if it is done *Several Times On Purpose* (STOP).

Children sometimes fall out or say things because they are upset. When occasional problems of this kind arise it is not classified as bullying. It is an important part of children's development to learn how to deal with friendship breakdowns, the odd name calling or childish prank. We all have to learn how to deal with these situations and develop social skills to repair relationships.

Where does bullying happen?

It can happen anywhere – in the classroom, in the corridor, in the toilets, in the dining hall, in the playground. Bullying may also happen on the way to and from school.

4.0 SIGNS AND SYMPTOMS

A child may indicate, by different signs or behaviour, that he or she is being bullied. Adults should be aware of these possible signs and investigate further if a child:

- Is frightened of walking to or from school
- Begs to be driven to school
- Changes their usual routine/route to school

- Begins truanting
- Becomes withdrawn, anxious or lacking in confidence
- Starts stammering
- Attempts or threatens suicide or runs away
- Cries themselves to sleep at night or has nightmares
- Feels ill in the morning
- Begins to under-perform in school work
- Comes home with clothes torn or books damaged
- Has possessions go “missing”
- Asks for money or starts stealing money (to pay the bully)
- Has unexplained cuts or bruises
- Comes home starving (money/snack/sandwiches have been stolen)
- Becomes aggressive, disruptive or unreasonable
- Starts swearing or using aggressive language for no apparent reason
- Is bullying other children or siblings
- Stops eating
- Is frightened to say what’s wrong
- Gives improbable excuses for any of the above.

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be taken seriously and investigated as soon as possible.

5.0 PROCEDURE TO REPORT BULLYING

This is a set of guidelines for teachers to follow if they suspect a child is being bullied or if an incidence of bullying is reported to them. Teachers should:

- Never ignore any suspected bullying
- Not make premature assumptions about bullying
- Listen carefully to all accounts to gain a full picture of what has happened
- A problem solving approach needs to be adopted not focusing on blame but on practically solving the problem to minimise the reoccurrence
- Any investigation needs to be followed up to check that the bullying has not resumed or taken another form

6.0 PROTOCOL FOR TEACHERS ON INCIDENTS OF BULLYING

- Listen carefully and with consideration to all reports of bullying
- Never ignore a problem or an incidence of bullying
- Identify all sides of the incident so that you are fully aware of the situation
- Talk to all pupils involved
- Attempt to resolve the situation with both sides sitting and discussing the incident together
- The incident needs to be recorded in the Welfare concerns log (located online). Details need to include: date, time, names of those in involved, account of what was seen, heard or said (Refer to Child Protection Policy on questioning and Behaviour Policy for appropriate sanctioning).
<https://goo.gl/forms/ojF5EJJUIGjKLGTq2>
- Serious incidents need to be reported to the Head Teacher
- Follow up with the discipline procedures outlined in the Behaviour Policy
- If necessary and appropriate, the Child Protection Officer in school, Social Services or police will be consulted

7.0 PROCEDURE FOR THE HEAD TEACHER

Once an incident is serious enough to be reported to the Head Teacher, the following procedure needs to be followed:

- Read the incident(s) recorded in the Incident sheet

- Discuss with the teacher reporting the incident
- Listen carefully to all sides of the argument
- Establish how regularly the incident/bullying has been going on for
- Establish whether the discipline procedures have been exhausted
- If incident is serious or continuous then engage parents of both the child that is bullying and being bullied

8.0 POLICY ON INVOLVING PARENTS

When parents are contacted to discuss the problem and solutions that will be put in place, great care needs to be taken on the approach. This is a very sensitive subject for both parents involved and it is more productive to discuss the solution at length rather than the problem. The following points are guidelines for involving parents.

- Approach parents in a calm manner
- Involve the parents constructively
- Use a problem solving approach
- When approaching the parents of the bully, approach not in a blaming way but rather in a way to solve problems that their child is having at school (make them aware of the disciplinary procedures and the school's policy against bullying)
- When approaching parents of the child who is being bullied make them aware of our policy against bullying and assure them that the school will do all that is possible to address the problem
- Discuss with each set of parents what actions will be taken at school to solve the problem and prevent its reoccurrence.
- Ask the parents/guardians what action they will be taking at home to contribute to the solution
- Set out a timeframe with the parents and the agreed measures (these plans should initially be for two weeks and then reviewed with both sets of parents)
- In serious incidences, the child who is bullying may need to be excluded from the school for a period of time (parents will need to be informed if the measures taken do not solve the problem then the permanent exclusion is possible)

9.0 SANCTIONS USED FOR BULLYING

Some of the possible sanctions that may be carried out depending on the incident are as follows:

- Apologise to the victim(s) verbally or in writing
- Lose privileges
- Lose playtimes (stay with the class teacher, write lines or do extra work)
- Stand outside the Head Teacher's office
- Head Teacher's homework
- Spend playtimes and lunchtimes with an adult
- Parents will be invited into school
- Go on a self-improvement report
- Be removed from class and work in isolation
- Lose team points
- Report to the Head Teacher or Deputy Head Teacher
- Be withdrawn from participation in school visits, clubs and events not essential to the curriculum
- Fixed-term exclusion
- Permanent exclusion
